

CLEVE MARCO CHENDIKIAWAN

COMPUTER SCIENCE

I am a motivated Computer Science student at Bina Nusantara University, actively seeking an internship to apply my skills in teamwork, communication, problem-solving, and time management. I thrive in collaborative environments, adapt quickly to new challenges, and bring a creative approach to problem-solving. With a strong foundation in technology and a drive to learn, I am eager to contribute to a dynamic tech team and grow in the field.

WORK EXPERIENCE

Life Insurance Agent

MSIG Life

July 2024 to Present

I am currently working as an insurance agent at MSIG, where I am honing my communication and public speaking skills through direct client interactions. This role has provided me with valuable experience in customer service, problem-solving, and building professional relationships. I am continuously working to improve my ability to clearly articulate complex information and enhance my public speaking and presentation skills.

EDUCATION HISTORY

High School

Life Community School, Tangerang

I completed my high school education at Life Community School, a homeschooling program that emphasized time management, self-education, and independent learning. This experience taught me how to effectively manage my time, stay disciplined, and take initiative in my studies, which has shaped my ability to work autonomously and be proactive in acquiring new knowledge.

LANGUAGES

Bahasa Indonesia

I fluent in Bahasa Indonesia and able to communicate effectively in both casual and professional settings

English

I am skilled in speaking, listening, and communicating in English. I can effectively engage in conversations and present ideas clearly. I am confident using English in various settings.
